

TechNova Solutions – Enterprise Policy

Contractor Engagement Policy

Fictional sample enterprise document created for the Enterprise Knowledge Ops Agent RAG demonstration.

1. Purpose

This policy defines engagement conditions and time-off arrangements for contractors providing services to TechNova Solutions.

2. Annual Leave

Contractors are not eligible for employee annual leave benefits under the Employee Leave Policy. Contractors may request unpaid time off subject to project requirements and manager approval.

3. Extended Time Off

A contractor requesting more than 5 consecutive working days of unpaid time off requires approval from the project manager and the business owner.

4. Contract Tenure

Completion of 12 months of service does not automatically convert a contractor into an employee.

5. Exceptions

Any exception to the standard contractor time-off arrangement must be documented and approved by the business owner.
